

Seeking: Fearless Fundraisers

Please help us raise funds by doing a sponsored event! Try one of these ideas:

Get on your feet

Run a 5K, 10K or a half/full marathon - whatever you feel is a challenge

Climb a mountain

There is no better feeling than reaching the top of a mountain in aid of a great cause

Give something up

For a month or forever - all in the name of charity (and health!)

Have a bake-off

Challenge your friends to a bake-off. Ask people in your community for a donation to attend a tasting session

Hold an event

Hold a dancethon, firewalk, talent show or summer party and ask people for a donation when they attend

Dress down day

Organise a pyjama day for your office and ask everyone to donate to join in
